FIG. 13

BellSouth® Internet Call Waiting

1402

Send Waiting Caller to Another Telephone Number

A feature of Internet Call Waiting is the option to send the call to another number. For example, you can send it to your cellular phone or to your office. If you know the numbers, enter the information below. The information can be changed later using the Manage ICW feature. To skip this step, click Next.

List - Send Calls [Optional]

Name	1404a	Number	1406a
Name	1404b	Number	1406b
Name	1404c	Number	1406c
Name	1404d	Number	1406d
Name	1404e	Number	1406e
